

MASTER SERVICES AGREEMENT

Contract Ref: MSA-2025-APX-002 | Date: January 1, 2025

This Master Services Agreement ('Agreement') is entered into by and between **Global Procurement Inc.** ('Client') and **Apex Logistics Ltd** ('Supplier'). This Agreement governs all logistics and transport services provided by the Supplier.

Section 1: Scope of Work

The Supplier shall perform standard domestic delivery services, including express courier, regional parcel distribution, and domestic shipping services, in accordance with the Client's purchase orders.

Section 4: Rates and Billing Structure

All billing for Standard Delivery - Domestic shipping shall be calculated monthly on a volume tier basis as described in Schedule B.

Section 4.2: For monthly shipment volumes of 0-499 units, the applicable unit price shall be USD 15.00. For 500-1,999 units, the unit price shall be USD 12.50. For 2,000 units and above, the unit price shall be USD 10.50.

Section 8: Performance and Service Levels

The Supplier commits to high standards of operational reliability. The metric used to evaluate performance is the On-Time Delivery Rate.

Section 8.1: Should the Supplier's on-time delivery rate fall below 98% in any calendar month, the Supplier shall issue a credit equal to 15% of that month's invoice total.

Section 12: General Payment Terms

Invoices shall be generated monthly. The standard payment window is Net-30 days from the invoice date.

Section 12.4: A discount of 3% shall apply to any invoice settled within 10 business days of the invoice date.
