

CONSTRUCTION SERVICES AGREEMENT

Contract Ref: MSA-2024-BRC-003 | Date: March 10, 2024

This Construction Services Agreement ('Agreement') is made between **Global Procurement Inc.** ('Client') and **BuildRight Contractors** ('Supplier') for providing excavation, masonry, and raw material supply services.

Section 4: Excavation Services & Tiers

Excavation services shall be billed on a unit volume basis as described below:

Section 4.1: For cumulative volume of 0 to 100 cubic meters in a billing period, the rate is INR 500.00 per cubic meter. For 101 to 500 cubic meters, the rate is INR 450.00 per cubic meter. For volumes exceeding 500 cubic meters, the rate is INR 400.00 per cubic meter.

Section 5: Project Milestones & Penalties

The project must adhere to the timeline agreed in Project Schedule A. Key milestone dates are strict.

Section 5.3: If the project milestone designated 'Foundation Completion' is delayed beyond the agreed target date of October 15, 2024, the Supplier shall credit the Client a delay penalty of INR 5,000.00 per calendar day of delay.

Section 7: Material Procurement

Materials procured by the Supplier on behalf of the Client will be billed with markup.

Section 7.2: The cost for Cement bags supplied for construction shall be billed at actual supplier cost plus a 10% markup, subject to an absolute maximum cap of INR 400.00 per bag. Under no circumstances shall the billed rate per bag exceed INR 400.00.
