

CLOUD INFRASTRUCTURE MASTER AGREEMENT

Contract Ref: MSA-2024-CHI-005 | Date: May 1, 2024

This Infrastructure Agreement is between **Global Procurement Inc.** ('Client') and **CloudHost India** ('Supplier') to govern the VM hosting services and cloud infrastructure provisioning.

Section 3: Computing Services and VM Rates

Section 3.1: VM Hosting Services shall be billed at a usage-based rate of INR 10.00 per instance-hour.

Section 5: Service Level Agreement Credits

The Supplier provides a high availability guarantee for computing hosting services.

Section 5.2: The Supplier guarantees a monthly VM service uptime of 99.9%. If the actual VM uptime in any calendar month falls below 99.9%, a credit equal to 20% of that month's total hosting charges shall be applied to the invoice.

Section 8: Volume Commitments

Clients who deploy high density VM instances are eligible for volume discounts.

Section 8.4: If the total hosting VM hours in a billing month exceed 10,000 hours, a commitment volume discount of 15% shall be applied to the total hosting charges for that month.
