

Prodapt

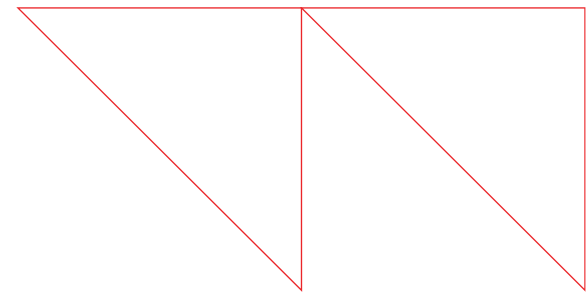

ProcureAI

Agentic Contract Compliance & Invoice Auditor

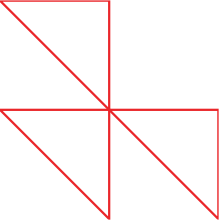

Team: Mission Agents

THE PROBLEM

Enterprises are paying suppliers more than they owe

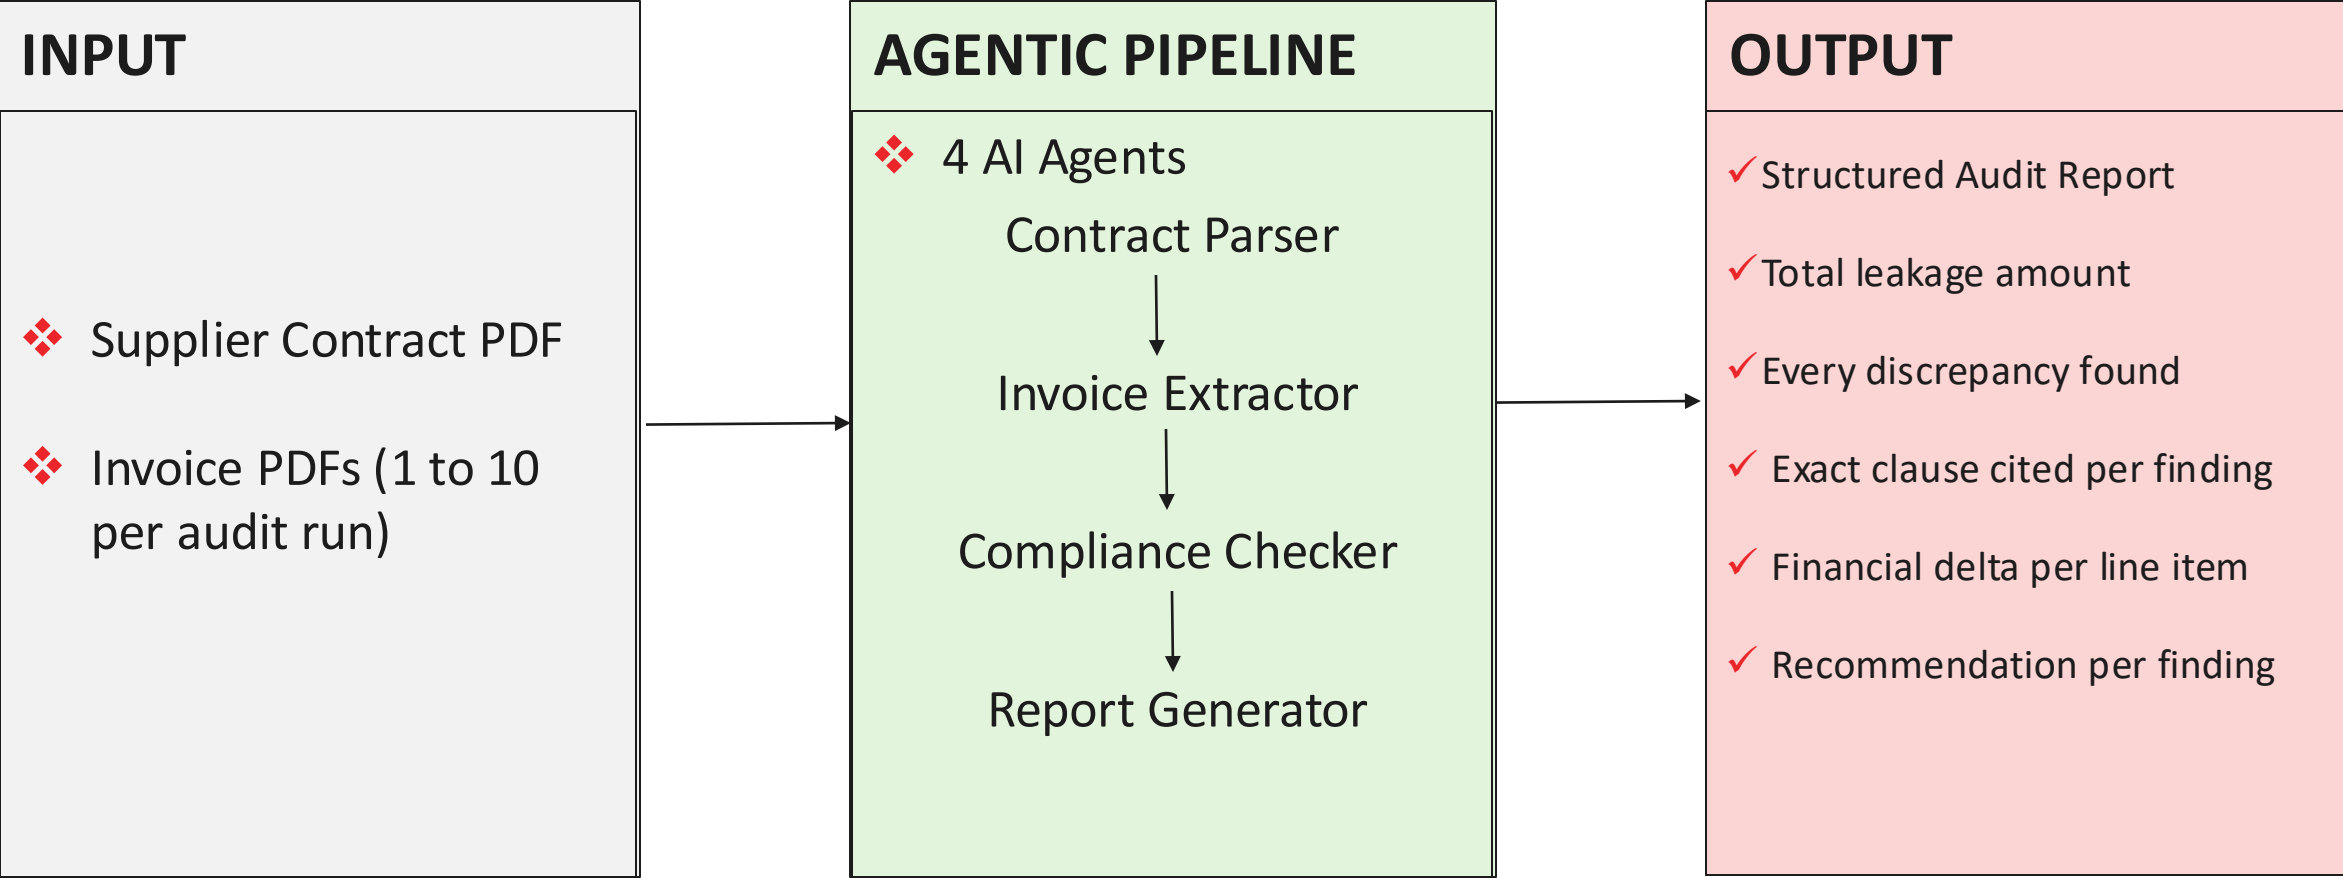

\$350K–\$700K

Annual value lost to contract leakage

For a company with approximately **\$6M in annual supplier spend**, contract leakage can result in hundreds of thousands of dollars in unrealized savings and overpayments.

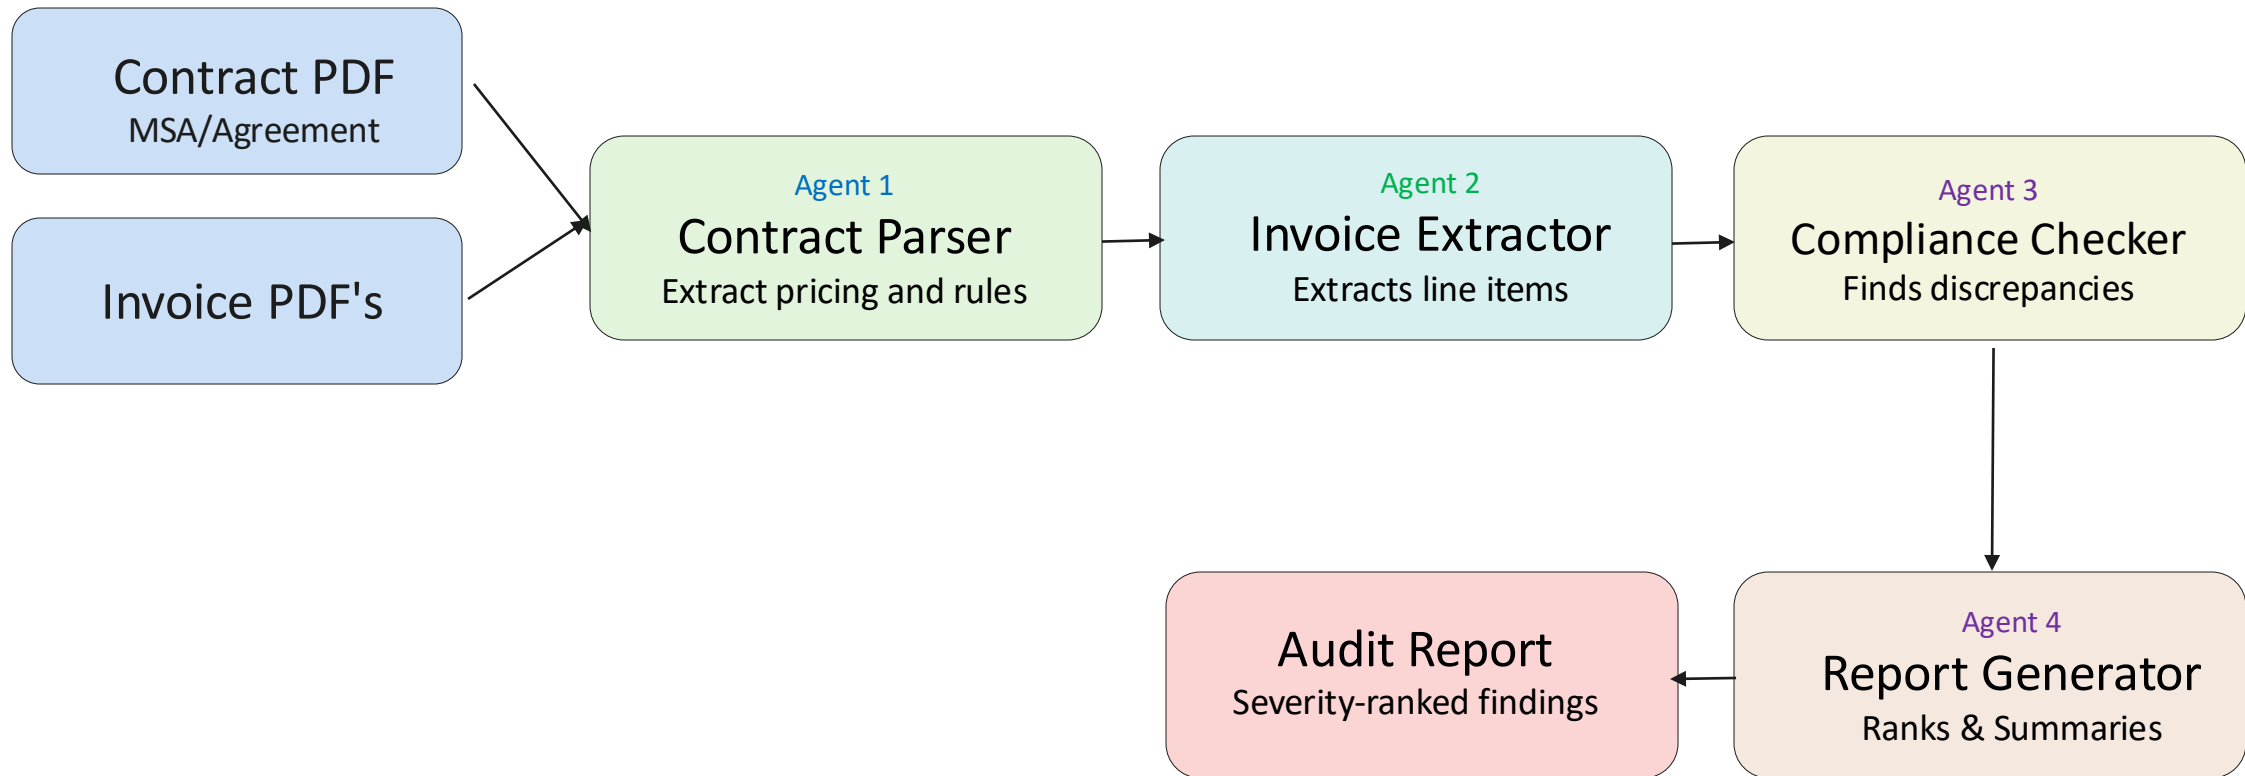

WHAT ProcureAI DOES

Upload a contract and invoice. Get a full audit report in 90 seconds.

AGENT ARCHITECTURE

Four specialized AI agents, each with one job

Beyond the Audit

Seven AI-powered tools built on top of the core audit engine

Supplier Scorecard

Every supplier scored 0–100 based on compliance history instantly see who's reliable and who needs attention.

Analytics Dashboard
